

DATA SHEET SPRINGRIDER PAPILO 3

Item No: 513016401

stilum 
play

Sometimes one is lucky enough to see more than just one butterfly in the meadow. And sometimes one can even play with three butterflies and plenty of friends. Three flower-seats made of high-quality rubber granulate resemble butterflies thanks to the stainless steel feelers that serve as handles, inviting children to play, sway or relax in the large space in the middle.

MATERIALS | SCOPE OF SUPPLY

Springrider, pre-mounted completely

tubular frame:	stainless steel, V2A
