

DATA SHEET TODDLER ELEMENT LINA

Item No: 515553401

Huge and colorful and with many game ideas for young explorers! Instead scaly skin the snake game Lina has colorful balls, where children can hold themselves and pull up. The soft, warm rubber granules differ from the cool stainless steel tubes. Older children learn to count and recognize the colours. Also it is a nice play element for climbing and balancing on the back of the snake.
