Product description

This post, made of sturdy robinia wood, combines natural beauty with exceptional durability. The post is ideal for mounting sunshades in outdoor spaces and playgrounds.

The robinia post consists entirely of heartwood, which is the core of the tree. Therefore, the post is delivered debarked and sanded. In the uncolored variant, the surface is golden and rustic, and the post can also be delivered in a chestnut-colored variant.

Length: 3,3 meters
 Diameter, post: Between 10-12 cm
 Diameter, sand table: 73 cm
 Uncolored

For mounting sunshades or windscreens on the robinia post, refer to L1040 for a triangular shade or L1042 for a square shade.
