Product description

The Multiswing brings a fun twist to the classic Birds Nest Swing, by allowing it to swing freely in all directions from a single hanging point. This 360-degree movement guarantees endless fun, tickles in the belly, and big smiles for children of all ages.

Perfect for play in groups, the Multiswing encourages social interaction and teamwork as children experience the thrill of swinging in multiple directions. At the same time, it helps to develop motor skills, balance, and spatial awareness, providing both fun and physical development in one exciting package.
