

# hanit® MUD TABLE

## Tailor-made for kids

Kids love playing with sand and water but when you mix this combination with wood, the fun doesn't last for long. Wood weathered quickly and splintered. hanit® mud tables are much more durable. They won't weather, splinter or rot. What's more, our tables are easy to assemble and have endless combinations.

**Material:**

hanit® Recycled Plastic

**Surface:**

Structured, grained

**Dimension (W x L):**

60 x 150 cm

**Heights (from top edge to floor):**

End table - 32/32 cm

Flow element 1 - 45/55 cm

Flow element 2 - 65/75 cm

Flow element 3 - 85/95 cm

**Weights:**

55 kg, 62 kg, 70 kg and 77 kg

**Version:**

Legs to be embedded to the ground

Delivery as construction kit

**Accessories (optional):**

Pump platform

**Advantages:**

Playing in mud with system

No risk of injury from splinters

Safe thanks to rounded edges
