Bench & Table with plastic containers and with anchors

58110PZ

Material Description:

- The structure of the device is made of pine wood planks;
- High-quality polymer box;
- All connectors and fittings are weather-resistant and UV-resistant;
- Direct installation in the ground;

Set Composition:

- 1 x picnic table with benches
- 1 x set of anchors

Series Description:

The Terra collection was created out of a desire to design an inspiring space that combines a connection with nature, education, and unrestricted play. The idea for this unique series was born from our passion for promoting values that contribute to the holistic development of children.

In the Terra collection, we have integrated the principles of Montessori and Reggio pedagogy, creating products that inspire children to explore the world and learn through hands-on experiences. This allows children to develop their skills in an atmosphere of respect, independence, and curiosity.

Terra supports and encourages independent action, fostering a sense of responsibility and self-reliance.

SAFETY SURFACE

| Zone | Max height of fall [m] | Area [m ²] | Perimeter of safety zone [m] |
|------|------------------------|------------------------|------------------------------|
| A | 0.52 | 13.1 | 13 |
| B | | | |
| C | | | |
