- 1 x metal anchor

Series Description:

The ROBINIO collection is an exclusive series of equipment designed for demanding users. Intriguing and challenging climbing entries, diverse climbing walls, and unconventional passages encourage action, strategic planning, and full engagement in overcoming obstacles. Massive steel structural posts combined with beautiful and durable acacia wood of unique appearance give the collection a prestigious character. The ROBINIO collection promotes physical activity and creative thinking. It is the perfect solution for places that aim to offer users more than standard play – an experience filled with challenges and adventures.
