Series Description:

NinjaWorkout equipment is a challenge for both body and mind, offering a variety of obstacles that develop strength, agility, cleverness, and competitive skills. These structures are perfect for training grip strength, power, and dynamic movement, utilizing obstacles commonly found in OCR competitions and professional Ninja courses.

The collection includes two difficulty levels:

- Ninja Workout Starter – designed for younger users, featuring adapted obstacles that provide a challenging yet safe training and play experience.
- Ninja Workout Master – a more advanced course, intended for adults and experienced users who want to refine their skills at a professional level.

NinjaWorkout courses are a great option for people of all ages looking to combine physical activity with an exciting and fun experience.
