

Sona surface mount kit

This Sona surface mount kit allows bolting down Lappset Sona to the floor. It is suitable for indoor use only, preferably in combination with wet-pour rubber surfacing. Choose an installation type that fits your situation best. Lappset Sona can be installed in various situations, from outdoors in grassy, sandy, rocky, or tiled or concrete surfaces to indoor areas. Available standard options are: - Deep mount - Surface mount - Exhibition mount Do you prefer another installation type? No worries; we are happy to provide you with a custom mount installation solution that best suits your location.
