This technical report may only be quoted in full. Any use for advertising purposes must be granted in writing. This report is the result of a single examination of the object in question and is not generally applicable evaluation of the quality of other products in regular production.

## 1. Description of the test subject

### 1.1 Function

Manufacturer's specification for intended use:  
Pump tracks for public use

### 1.2 Description

081621 Pump-track with two curves  
081623 Pump-track with four curves  
081625 Pump-track with six curves

### 1.3 Picture of the product

Pump-track 081621

Pump-track 081623

Pump-track 081625

## 2. Order

### 2.1 Date of Purchase Order, Customer's Reference

27.11.2018,

### 2.2 Date of Testing

04/05.12.2018

### 2.3 Exceptions of the Test Procedure

The test was carried out on basis of the drawings received 27.11.2018. The test was mentioned to show the compliance to the requirements of the test program. There was not physically test of stability or structural integrity.

Product Service

### 3. Test Results

#### 3.1 Positive Test Results

The item passed the requirements of the standards mentioned above.

#### 3.2 Points of non-compliance according to the test specification

There were no non-compliances against the relevant standards found.

### 4. Remark

The manufacturer is responsible for the accuracy of further as well as of the composition and layout

#### 4.1 Remarks to Factory

The assembly of the product must comply with the documentation (CDF). Before the implementation of safety relevant modifications to the product into the ongoing production the product must be assessed for acceptance. The results must be implemented to the documentation and if necessary the certificate must be updated.

### 5. Summary

The items:

081621 Pump-track with two curves

081623 Pump-track with four curves

081625 Pump-track with six curves

have been found to meet the requirements of PPP TRF 63126A-2019 Roller sport elements. There was not physically test of stability or structural integrity.
