

Spread your wings and reach for the clouds in the Fairy's Treehouse! Rising to nearly ten meters high, this colossal treehouse is the highlight of any playground; with four stories of fun to experience and explore. The lower levels are perfect for young children and those that are becoming a bit more adventurous. An open slide and labyrinth play panel on the second level, allow even the smallest of fairies to get in on the fun; while the third level includes a tube slide and balcony with a telescope, perfect for spotting magical and mystical visitors before they arrive. The fourth level showcases a tube slide at a height of nearly eight meters and is sure to excite even the most courageous of spirits. Providing near-panoramic views from the balcony, the fourth level of the Fairy's Treehouse allows users to view the world around them in a way that many may have never seen before, and to play at heights they have never dreamed of or thought possible. The unique feel and remarkable aesthetic of this tower truly set it apart from the crowd and beckons to all, "come on, let's have
