LAMA SPRING ROCKER

Lama Spring Rocker offers cheerful motion that blends roleplay, physical development and joyful design. Children (aged 1+) can ride solo or with friends, discovering balance, rhythm and strength as they bounce together. The rocker’s playful character also inspires storytelling and social interaction, encouraging imagination alongside physical activity. Built with HPL seating and a steel spring, Lama withstands daily use in schools, kindergartens and public parks. Lama adds both charm and function to outdoor activity solutions where inclusivity, creativity and movement belong side by side. Fall height for the rocker is 600 mm.
