VE NE SPRING ROCKER FOR TWO

Vene Spring Rocker doubles the fun with room for two children (aged 2+) to rock in unison. Its cooperative design promotes rhythm, coordination and teamwork, making it perfect for inclusive play experiences that bring children together. With durable HPL seating and a robust steel spring base, Vene ensures safety, comfort and resilience for long-term use in outdoor settings. The compact footprint allows it to fit seamlessly into both large and small playgrounds. Ideal for schoolyards, parks and community spaces, Vene adds a social dimension to spring rocking, encouraging laughter, connection and shared discovery. Fall height for the rocker is 600 mm.
