BERT CAROUSEL

Bert Carousel delivers a joyful spinning experience for up to four children aged 2 or more, encouraging cooperation through movement. Its rounded handles and stable design support balance, coordination and vestibular development, helping children build confidence while playing together. Compact yet engaging, Bert fits easily into both small and large outdoor playgrounds with fall height of 1000 mm. Made from durable materials, including PEFC-certified Nordic pine and LappCoat-treated steel, it's built to last in all weather conditions. As part of our inclusive playground equipment offering, Bert creates a shared play opportunity for children of all abilities. A standout feature in schoolyards, public parks and sustainable playground designs focused on wellbeing and connection.
