**ILMARI SWING FRAME WITH BIRDNEST SEAT**

Ilmari Swing Frame with Birdnest Seat offers a communal swinging experience that brings children together. The large nest-style seat accommodates multiple users (aged 1+) at once, supporting cooperative play, rhythm and social inclusion. Built from a strong steel beam with PEFC-certified pine frame supports, Ilmari is engineered for long-term performance in public playgrounds, schoolyards and recreational spaces. Its open form makes it easy to access, while its shared design ensures participation for children of varying abilities. A popular feature in inclusive playground layouts with fall height of 1400 mm.
