

NELLI SPRING ROCKER

Nelli Spring Rocker brings a friendly face and gentle rocking motion to outdoor play. Its stable structure encourages young children (aged 2+) to explore movement, practice balance, and enjoy roleplay in a safe, joyful setting. With durable HPL panels and a reliable steel spring, Nelli is built to perform in busy parks, kindergartens and public spaces. The design is inclusive, ensuring accessibility for children of varying abilities while promoting social play and imaginative interaction. Compact and versatile, Nelli integrates naturally into inclusive playground equipment plans. Fall height for the rocker is 600 mm.
