

JALMARI SANDBOX XL

Jalmari Sandbox provides expansive space for cooperative, sensory-rich play. Children aged 1+ can dig, build and explore in groups, developing fine motor skills, imagination and social connection through shared activity. With rounded wooden corners and durable HPL surfaces, Jalmari is built for safe, long-term use in large schoolyards, parks and recreational areas. Its inclusive layout offers plenty of space for varied play styles and encourages participation from children of all abilities with fall height of 460 mm. A standout piece for playgrounds that prioritise interaction and accessibility, Jalmari turns classic sandplay into a platform for creativity and collaboration on a larger scale.
